All specifications subject to change without notice. Not included are pieces of free-standing furniture and lamps, special designer specified lighting, artwork, cooking utensils, cutlery and flatware, soft goods and the design fees attendant to personalizing the Owners interior arrangement plan and design. Special treatment of interior fit-out and/or use of nonstandard soft furnishings required by the purchaser may subject to an additional charge.

Performance statistics, weight, draft, freeboard and height are estimated only and are not warranted, and actual figures will vary depending on tolerances achieved during the vessel's construction process and the equipment, supplies and stores on board, as well as operational and sea conditions.

K2 Marine reserves the right to substitute equipment and materials stated herein to others which it believes to be of equal or superior quality and to make such design and dimensional changes as it believes are necessary to improve the vessel's performance and function.
